

## Paws in the Park Extra Safety Measures

Paws in the Park have properly planned our COVID response and will have all the correct measures in place to protect the safety of all our visitors, competitors and staff this will include but not be limited to the following;

- All Tickets will be in advance only, this will allow us to have the ticket holders contact details and also contactless entry for visitors
- If you feel unwell or have any COVID Symptoms please do not attend the shows, get in touch and we will transfer your ticket to next years show
- Social Distancing and one-way systems, the event showgrounds are huge sites with natural paths for one-way flow of traffic, there will extra staff and signage throughout the show too.
- Face-masks or coverings recommended and mandatory within trade areas
- The event is all outdoors only this year, with no evening entertainment, indoor trade or catering
- Provision of handwashing facilities, or hand sanitiser at all points including attractions and trade areas
- Extra signage in toilets for hand washing plus extra and regular cleaning, limiting showering entry times to allow frequent cleaning of areas.
- We will be managing any areas that may queue including catering, attractions and admissions.
- There will be regular and constant cleaning of all public areas including, admissions, toilets and seating areas
- Please bring everything you need for your dog including, water, poo bags and equipment.
- Event programmes, we will not be printing anything to hand out, there will be extra signage and public announcements to keep you informed while at the show.

**Please note that these safety precautions may be added to or amended to follow government guidelines.**
