Barking brilliant two-day dog events in the South-East

Paws in the Park Show

20 - 21 May 2023, South of England Showground, Ardingly, West Sussex

16 - 17 September 2023, The Kent Showground, Detling, Kent

The UK's largest dog event, Paws in the Park offers traders and exhibitors unrivalled access to ABC1 customers who love everything and anything about dogs!

Paws in the Park has grown phenomenally to become the UK's largest outdoor dog show for working, trained and pet dogs. In 2022, our two shows attracted a record 38,000 visitors and 24,000 dogs.

There's so much to enjoy from arena displays to have-a-go and fun competitions, most visitors come for the whole day. It's the ideal show to sell to enthusiastic customers and their families in between activities.

And with most visitors staying onsite for at least 4.5 hours, or even camping for the whole weekend, there's plenty of hungry humans (and dogs) looking for tasty meals and tempting treats all day long.
